PRIVILEGE HOUR

With leave of the House, on successive motions of Rep. Marjorie Ann A. Teodoro, the Chair declared a Privilege Hour; and thereafter recognized Rep. Bernadette "BH" Herrera for her privilege speech.

PRIVILEGE SPEECH OF REPRESENTATIVE HERRERA

Representative Herrera lauded the automation and digitization of the systems and transactions in the Land Transportation Office (LTO) which has resulted in faster document processing as she had experienced with the renewal of her driver's license; and shared that stakeholders appreciate the removal of some fees and charges collected under a manual LTO system.

With the digital transformation of LTO in mind, Representative Hererra questioned 1) the actions of LTO Assistant Secretary Teofilo Guadiz III who

recently lambasted Dermalog Identifications Systems, the LTO's current IT systems provider, for alleged systems glitches while he commended Stradcom Corporation, its previous systems provider, and even welcomed it to bid for its previous contract if warranted; 2) some LTO offices for allegedly allowing its employees to override current digitized systems and reintroduce manual procedures; and 3) Stradcom for allegedly refusing to turn over license and vehicle databases to LTO and Dermalog and for prohibiting the new provider to use basic office equipment and fixtures in LTO satellite offices. She opined further that the official's statement may have been imprudent and irresponsible, as the reversion to manual processes might have affected Dermalog's systems and resulted in said glitches, and the lack of the aforecited data had somewhat crippled and debilitated Dermalog's operations.

Raising questions on why said glitches are being blamed on the current IT provider; and how the presently functioning systems will be affected should LTO replace them, Representative Herrera thereafter encouraged the Body to exercise its congressional oversight functions and investigate the matter to determine the need to replace the agency's IT provider and if such action will be beneficial to the people.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE HERRERA

On motion of Representative Teodoro, there being no objection, the Body referred the privilege speech of Representative Herrera to the Committee on Rules for its appropriate action.

SUSPENSION OF SESSION

On motion of Rep. Lianda B. Bolilia, the Chair suspended the session at 3:04 p.m.

RESUMPTION OF SESSION

The session resumed at 3:19 p.m.

Thereupon, on motion of Rep. Amparo Maria J. Zamora, the Chair recognized Rep. Robert Ace S. Barbers for his privilege speech.

PRIVILEGE SPEECH OF REPRESENTATIVE BARBERS

After first clarifying that he is not against the No Contact Apprehension Policy (NCAP) and that the objective of said policy is laudable, Representative Barbers opined that NCAP gave rise to more questions, additional burden, and source of corruption upon its implementation in various cities in the National Capital Region (NCR).

Among the issues he raised about the NCAP were the following: 1) proper agency in charge of traffic matters in NCR; 2) status of the unified ticketing system; 3) system of collection of fines and penalties and its constitutionality; 4) costs spent for the technology utilized in said policy; 5) adequacy of traffic signs and closed-circuit television cameras especially during nighttime and bad weather; and 6) issuance of citations even to violating drivers of government-owned vehicles.

Subsequently, he called on the leadership to immediately suspend the implementation of NCAP until such questions are answered.

MANIFESTATION OF REPRESENTATIVE PUMAREN

Recognized by the Chair on motion of Representative Zamora (A.M.), Rep. Franz S. Pumaren first stated that he was the main proponent of the ordinance implementing the NCAP in Quezon City, and that it went through proper consultations before its passage.

Representative Barbers, while stressing his earlier statement that said policy is laudable and should be implemented nationwide, however noted the many questions hounding the same, such as the basis of apprehension in cases where the registered owner is not the driver when a particular violation happened.

At this juncture, Deputy Speaker Singson-Meehan relinquished the Chair to Deputy Speaker Vincent Franco "Duke" D. Frasco.

Representative Pumaren said that in the case of Quezon City, the registered vehicle owner will shoulder the penalty and that they have a grievance committee where alleged violations may be contested.

On the issue that government officials who committed traffic violations are given courtesy and that citations serve more as a warning, Representative Barbers reiterated the vagueness of NCAP, thus, stressed the importance of strengthening and giving clarity to the implementation of the same.

While maintaining that the said ordinance could help instill discipline in the people and prevent them from breaking the law, Representative Pumaren admitted that the same still needs to be polished especially if to be implemented at the national level.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE BARBERS

On motion of Representative Zamora (A.M.), there being no objection, the Body referred the privilege speech of Representative Barbers including the manifestation thereon to the Committee on Rules for its appropriate action.

TERMINATION OF PRIVILEGE HOUR

On further motion of Representative Zamora (A.M.), there being no objection, the Body approved to terminate the Privilege Hour.

ACKNOWLEDGMENT OF GUESTS

At this juncture, Representatives Francisco Paolo P. Ortega and Tolentino acknowledged the presence in the Session Hall of the guests of Representative Zamora (A.M.) and Deputy Speaker Frasco.

SUSPENSION OF SESSION

On motion of Representative Marcos, the Chair suspended the session at 4:33 p.m.

RESUMPTION OF SESSION

The session resumed at 4:36 p.m.

CREATION OF THE SPECIAL COMMITTEE ON NUCLEAR ENERGY

On motion of Representative Marcos, there being no objection, the Body approved, thru *viva voce* voting, the creation of the Special Committee on Nuclear Energy consisting of 25 Members with its jurisdiction to read as follows: "All matters directly and principally relating to the policies and programs for the production, utilization and conservation of nuclear energy, including the development of nuclear power infrastructures as well as interaction of other energy sources with nuclear energy, as a reliable, cost-competitive and environment-friendly energy source to ensure energy security, consistent with the national interest and the State's policy of freedom from nuclear weapons."

AMENDMENT TO THE JURISDICTION OF THE COMMITTEE ON ENERGY

In line with the creation of the Special Committee on Nuclear Energy, on further motion of Representative Marcos, there being no objection, the Body approved, thru *viva voce* voting, to amend the jurisdiction of the Committee on Energy to read as follows: "All matters directly and principally relating to the exploration, development, utilization or conservation of energy resources, including the development and utilization of alternative and renewable energy resources and the entities involved in energy or power generation, transmission, distribution and supply, EXCLUDING NUCLEAR ENERGY AND ITS SOURCES AND INFRASTRUCTURES."

ELECTION OF REPRESENTATIVE COJUANGCO (M.) AS CHAIRPERSON OF THE SPECIAL COMMITTEE ON NUCLEAR ENERGY

On behalf of the Majority, on motion of Representative Marcos, there being no objection, the Body elected Rep. Mark O. Cojuangco as chairperson of the Special Committee on Nuclear Energy.

MANIFESTATION OF REPRESENTATIVE COJUANGCO (M.)

Upon recognition by the Chair on motion of Representative Marcos, Representative Cojuangco stated that the people deserve cheap and clean, yet reliable and not weather-dependent electricity from nuclear energy; and that the increasing fleet of nuclear power plants could solve the growing need for generating capacity of electricity in the country.

Pointing out that the newly created special committee now faces the challenge of crafting laws that will govern the use of nuclear energy as well as educating the Filipino people about its benefits, Representative Cojuangco, in his capacity as chairperson thereof, assured that they will work hard to provide information on the importance of nuclear power plants and how to attain the much needed affordable, clean, and reliable energy for the country. He then thanked the Body for trusting him to lead the said special committee.

ADJOURNMENT OF SESSION

On motion of Rep. Antonio "Tonypet" T. Albano, there being no objection, the Chair declared the session adjourned until two o'clock in the afternoon of Wednesday, August 10, 2022.

It was 4:44 p.m.

I hereby certify to the correctness of the foregoing.

REGINALD S. VELASCO
Secretary General

Approved on August 15, 2022.
