Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

EIGHTEENTH CONGRESS  
Second Regular Session  

HOUSE BILL NO. 8182  

Introduced by HON. LUIS RAYMUND “LRAY” F. VILLAFUERTE, JR.  

EXPLANATORY NOTE  

Fishing is the main livelihood in the shores of the province of Albay and there is an evident need to develop the municipality’s fishing ports to aid in the productivity of our fisherfolks. A good fish port is needed that will serve as the main distribution center for the nearby areas as well as for distant markets.  

The Philippine Institute for Development Studies of fishing ports in the country suggests that the national government should prioritize the building of new ports in municipalities that have no ports yet. This bill proposes the establishment of a fish port in Pasacao in the province of Camarines Sur. Further, this bill proposes to implement a training and phasing-in program for local government personnel in order to uphold proper environment management.  

The approval of this bill is earnestly sought.
