House Bill No. 8315

Introduced by HON. RODRIGO A. ABELLANOSA

EXPLANATORY NOTE

This bill seeks to amend Sec. 4 of Republic Act No. 11199, entitled, "An Act Rationalizing and Expanding the Powers and Duties of the Social Security Commission to Ensure the Long-Term Viability of the Social Security System, Repealing for the Purpose Republic Act No. 1161, as Amended by Republic Act No. 8282, Otherwise Known as the "Social Security Act Of 1997," as a necessary measure to effect the suspension of the Social Security System's contribution rate hike for 2021.

The year 2020 has not been very kind to the whole world in general. The global pandemic has caused a halt to almost all activities and economic growth, but with the resilience of Filipinos, we somehow get by. If only this pandemic’s show-stopping power ruled over nature as well. Unfortunately, natural disasters and calamities continued to ravage the nation, as if things weren’t difficult enough.

As much as we tried to react immediately to the impact of these events, we continue to encounter some loose ends in our effort to alleviate the plight of our people. Among these is the increase in mandatory social security contributions. In consideration of the financial strain that the events of 2020 has put on our compatriots, this bill proposes to do away with the contribution rate increase for the year 2021 to help ease the working Filipino’s burden a little.

In view of the foregoing, passage of this bill is earnestly sought.
