Republic of the Philippines
HOUSE OF REPRESENTATIVES

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 8322

Introduced by Rep. Edcel C. Lagman

EXPLANATORY NOTE

This bill seeks to renew the franchise granted to the Bicol Telephone and Telegraph, Inc. (BT TI) to construct, establish, install, operate, and maintain local exchange network in the provinces of Albay and Sorsogon by another twenty five (25) years.

The Bicol Telephone and Telegraph, Inc. (BT TI) was granted its initial franchise under Republic Act No. 6603 in October 23, 1972. Its franchise was then renewed in August 8, 1997 under Republic Act No. 8342 which is set to expire in 2022.

In its almost five decades of service, BT TI has substantially contributed to the modernization and development in the province of Albay and some municipalities in Sorsogon by providing reliable, efficient, and economical telecommunication and internet service to its local subscribers. However, as the telecommunications technological landscape continues to develop, BT TI must establish new infrastructures and improve its operations to meet the communication needs of local subscribers.

This bill therefore seeks to renew the franchise of BT TI in order to afford it to continue its operation as well as to expand its operations to underserved municipalities and areas, and to provide the latest telecommunications technology to its subscribers in the provinces of Albay and Sorsogon.

In view of the foregoing reasons, the approval of this bill is earnestly sought.

EDCEL C. LAGMAN
