HOUSE BILL NO. 8337

Introduced by HON. LUIS RAYMUND “LRAY” F. VILLAFUERTE, JR.

AN ACT REQUIRING ALL DEALERS, RETAILERS AND SIMILAR ENTITIES ENGAGED IN THE SALE OF MOTOR VEHICLES TO PLANT AT LEAST TEN (10) TREES FOR EVERY SALES TRANSACTION

The regularity of typhoons in the Philippines should have us adequately prepared. However, as years pass, typhoons are increasingly destructive. Most recently, the trio of Quinta, Roiy and Ulysses ravaged the country in a span of less than a month. This affected hundreds of thousands of farmers and hectares of agricultural land translating to over ten billion pesos in losses.

The fact that the trio of typhoons came in less than a month challenged the capacity of our soil to retain the amount of water dumped by the accompanying rains. The resulting inundation is what became destructive. As always, deforestation along flood-prone areas is one of the major culprits.

Accordingly, this bill seeks to contribute to the reforestation efforts of the government by requiring all dealers, retailers and similar entities which are engaged in the sale of motor vehicles to plant at least ten (10) trees for every sales transaction within a period of six (6) months from the date thereof. The Department of Trade and Industry is tasked to monitor and ensure compliance with this requirement.

In view of the foregoing, the approval of this bill is most earnestly sought.
