Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitution Hills, Quezon City

EIGHTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 8387

Introduced by: Hon. KRISTINE ALEXIE B. TUTOR

EXPLANATORY NOTE

According to the 2017 Annual Poverty Indicators Survey (APIS) of the Philippine Statistics Authority (PSA), nine percent (9%) of the estimated 39.2 million Filipinos aged 6 to 24 years old, or around 3.6 million young Filipinos are out-of-school youths (OSYs). Majority of them, around 83% belong to the 16 to 24 year old age bracket. Among the factors cited by the survey among OSYs for not attending formal education, among other, are: marriage or family matters; lack of personal interest; high cost of education; accessibility of school.

Recently, the President enacted Republic Act No. 11510 or the “Alternative Learning System Act” which institutionalizes the Alternative Learning System (ALS) as a parallel learning system to provide viable alternative to the existing formal education instruction for out-of-school youth. While RA 11510 provides alternative learning venues for OSYs thereby increasing accessibility to quality basic education, OSYs need further support from the government in order to improve their well-being and encourage them to become actors in national development.

This proposed measure seeks to strengthen the State’s mandate of instituting policies and programs for the development of OSYs in the country and to encourage OSYs to seek and avail of the multitude of opportunities that will be presented to them. This includes, but is not limited to, the provision of educational, employment and entrepreneurial assistance through the Department of Education (DepEd), the Technical Education and
Skills Development Authority (TESDA), the various local government units (LCDs), and the Department of Labor and Employment (DOLE) in addition to health and social protection services.

Likewise, this measure will institute interventions for the benefit of OSYs who are in especially difficult circumstances such as those who are victims of sexual and physical abuse, illegal recruitment, prostitution, trafficking, armed conflict, OSYs in conflict with the law, and other related circumstances which have caused their functional incapacity in the society. All of these reforms are aimed at encouraging our OSYs to realize their value in society and exercise self-improvement mechanisms. As our country moves towards progress, let us develop the full potential of our young Filipino OSYs and make them our partners in nation-building.

In view of the foregoing, immediate passage of this measure is earnestly sought.
