EIGHTEENTH CONGRESS  
REPUBLIC OF THE PHILIPPINES  
Second Regular Session  

HOUSE OF REPRESENTATIVES  

 Introduced by Representative Rufus B. Rodriguez  

House Bill No. 9085  

EXPLANATORY NOTE  

This bill seeks to establish an e-library in the Barangay Hall of Barangay 38 in Cagayan de Oro City. This e-library shall be for the cluster of Barangays 36 to 40.

Republic Act 7743 provides for the establishment of "additional public libraries to serve all congressional districts cities and municipalities in the Philippines and reading centers in every barangay except in cities or municipalities where there are existing public libraries or in barangays where there are existing reading centers..."

Further, the Local Government Code of 1991 mandates that municipalities, cities and provinces maintain a public library as part of their basic services and facilities.

Unfortunately, there is no full-implementation of the above provisions of law as there are still many provinces, cities, municipalities and barangays with no access to public libraries or reading centers.

While it would undoubtedly be very costly to put up a public library, especially for a barangay, an alternative would be to put up an e-library with at least 3 sets of computers with access to the internet in the barangay halls. This e-library can be used by the public to do research, get access to e-books and gather valuable knowledge and information.

In view of the foregoing, immediate approval of this measure is earnestly requested.

RUFUS B. RODRIGUEZ
