HOUSE BILL NO. 9101

Introduced by **HON. LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.**

AN ACT
TO ESTABLISH A GRANT PROGRAM TO PROVIDE COMPREHENSIVE EYE
EXAMINATIONS TO CHILDREN

Eighty percent (80%) of what children learn is acquired through the visual processing of information.

Visual impairment is one of the ten (10) most common causes of disability in America. In children, visual impairment is associated with developmental delays and the need for special education, vocational, and social services. At least twenty percent (20%) of children with learning disabilities have been found to have prominent visual information processing problems.

This bill aims to provide comprehensive eye examinations for children identified or considered at high risk of vision impairment.
