Cagayan de Oro is a highly urbanized city in Misamis Oriental in Region 10. It is widely regarded as center of industry, trade and commerce in the region. It is also considered an education hub in the region. Due to this, the population in Cagayan de Oro has been increasing.

Unfortunately, there are not enough schools to cater to the increasing demand.

Article II, Section 17 of the 1987 Constitution provides:

SECTION 17. The State shall give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development.

Article XIV Section 1 of the 1987 Constitution provides:

SECTION 1. The State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.

It is very clear that it is the duty of the State to ensure that its citizens have access to quality education and the first step is to provide them with schools.

At present, there is no school in Sitio Palalan in Barangay Tablon in Cagayan de Oro City. The students in said sitio have to travel to neighboring schools in order to be able to go to school.

This bill proposes to establish an Integrated School in Sitio Palalan in Barangay Tablon in order to address the increasing demand for a school in the area to handle the increasing number of students.

In view of the foregoing, immediate approval of this measure is earnestly requested.
