The National Housing Authority (NHA) is a government-owned and controlled corporation (GOCC), duly organized and established by virtue of Presidential Decree No. 757 issued by President Ferdinand E. Marcos on 31 July 1975 that will expire fifty (50) years thereafter, but may be extended, which was later amended by Executive Order No. 90 on 17 December 1986.

The NHA is the primary government agency in charge of providing housing assistance to the lowest 30% of urban population through slum upgrading, informal settler relocation, development of sites and services and construction of core housing units. The importance of housing cannot be overemphasized in reducing poverty in the country. As the country battles through the COVID-19 pandemic, are still losing their houses to typhoons, floods, earthquakes, landslides, and other calamities.

This proposed measure seeks to extend for a period of Fifty (50) years, upon approval, the corporate term of the National Housing Authority (NHA) and provide for the continued existence of NHA to continue the pursuit of its objectives off providing affordable and decent housing for all.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
