AN ACT
PROVIDING FOR THE ESTABLISHMENT OF A KADIWA NI ANI AT KITA
STORE IN BARANGAY BAGBAG IN QUEZON CITY AND
APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

Food security remains a growing problem in the Philippines. In a report by the United Nations Food and Agriculture Organization, the Philippines recorded the most number of food insecure people in Southeast Asia in 2017 to 2019, with 59 million Filipinos suffering from moderate to severe lack of consistent access to food, a drastic and alarming increase from 44.9 million recorded in 2014 to 2016.¹

As the COVID-19 pandemic greatly affected livelihoods and access to food, food insecurity is expected to climb up. Fortunately, government efforts to address food insecurity while also providing better opportunities to our farmers and fisherfolk have sprung up with the “Kadiwa ni Ani at Kita” Program.

The “Kadiwa ni Ani at Kita” Program, launched in 2019, is a collaborative project of the Department of Agriculture, Department of Interior and Local Government, and Food Terminal Inc. (FTI), a Government-Owned and Controlled Corporation. This project establishes a direct link between farmers and fisherfolk, direct producers of food, to the consuming public.

Through localized Kadiwa ni Ani at Kita stores, livelihood opportunities are secured for Filipino farmers and fisherfolk, while also ensuring food security in local government units (LGUs), especially in Metro Manila, that face food supply challenges amidst the pandemic.

In order to institutionalize food security efforts and livelihood opportunities to Filipino farmers and fisherfolk, this bill seeks to establish a Kadiwa ni Ani at Kita Store in a public market in Barangay Bagbag in Quezon City. The Kadiwa ni Ani at Kita Store shall provide a sustainable direct marketing link between accredited farmers and fisherfolk and the local consumers through the local government unit, while ensuring that the farm and fishery products are fresh, healthy, and affordable. Additionally, this will complement the Republic Act No. 11321 or the Sagip Saka Act, which provides for the direct purchase of agricultural and fishery products by local government agencies.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
