HOUSE BILL NO. _____

Introduced by Rep. FAUSTINO 'INNO' A. DY V

EXPLANATORY NOTE

Republic Act No. 11037 or the "Masustansyang Pagkain Para Sa Batang Pilipino Act" established a national feeding program to address hunger and undernutrition among Filipino children by providing them free meals.

The program has the following components and coverage: Supplemental Feeding for Day Care Children, School-Based Feeding Program; Milk Feeding Program; Micronutrient Supplements; Health Examination, Vaccination, Deworming; Gulayan sa Paaralan; Water, Sanitation, and Hygiene (WASH); and Integrated Nutrition Education, Behavioral Transformation, and Mobilization.

The Department of Social Welfare and Development (DSWD) is the lead agency for the supplemental feeding program for day care children and the Department of Education (DepEd) is the lead implementer for the school-based feeding program. In particular, the law requires the DSWD and the DepEd to provide one fortified meal to undernourished kids for not less than 120 days in a year.

This requirement, aside from benefiting Filipino children, also presents a livelihood opportunity for small-scale farmers. The farmers can help supply the vegetables and other produce needed in making healthy meals for the children.

Hence, this Bill which amends Republic Act No. 11037 by mandating that 30% or more of the supplies needed to implement the national feeding program shall be procured from small-scale farmers. Accordingly, the Department of Agriculture shall keep and regularly update a list of Small-Scale Producers and the Department of Agrarian Reform shall institute support services for agrarian reform beneficiaries who are part of said list.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
