NINETEENTH CONGRESS
First Regular Session

House Bill No. 2624

INTRODUCED BY HONORABLE LIANDA B. BOLILIA

AN ACT
GRANTING POSTGRADUATE SCHOLARSHIP TO PUBLIC ELEMENTARY
AND HIGH SCHOOL TEACHERS IN STATE COLLEGES AND UNIVERSITIES

EXPLANATORY NOTE

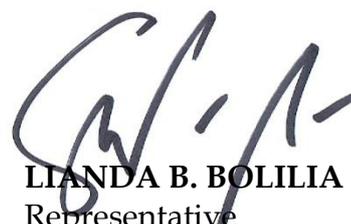

Article XIV, Section 5 (4) of the 1987 Philippine Constitution provides that: "The State shall enhance the right of teachers to professional development. Non-teaching academic and non-academic personnel shall enjoy the protection of the State." Likewise, Article XIV, Section 5 (5) states that: "The State shall assign the highest budgetary priority to education and **ensure that teaching will attract and retain its rightful share of the best available talents through adequate remuneration and other means of job satisfaction and fulfillment.**"

Despite the constitutional provisions, our public school teachers remain underpaid and overworked. It is no wonder that many of our quality teachers are now teaching or are working as caregivers or domestic helpers abroad.

This bill seeks therefore to improve the quality of education by making sure that the educators themselves become recipients of quality education. This can only be achieved through a viable scholarship program for deserving public school teachers.

By investing in the professional development of our teachers through continuing education programs, this measure will help improve the country's global competitiveness.

In view of the foregoing, the immediate enactment and approval of this bill is earnestly sought.
