NINETEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 5221

Introduced by
REPRESENTATIVE ATTY. GERVILLE "JINKY BITRICS" R. LUISTRO

EXPLANATORY NOTE

Section 6, Article III of the Constitution provides that "Neither shall the right to travel be impaired except in the interest of national security, public safety, or public health, as may be provided by law."

Pursuant to the said Constitutional mandate, Republic Act No. 8239, otherwise known as the Philippine Passport Act of 1996, was enacted. Its main purpose is to regulate the issuance of passports or any similar travel document to any citizen or individual to ensure compliance with the requirements stated under the law.

Since its passage, there have been a number of laws passed. This includes Republic Act No. 8552 or the Domestic Adoption Act of 1998, Republic Act No. 9226 or the Citizenship and Reacquisition Act of 2003, and Republic Act No. 11055 or the Philippine Identification System Act of 2018. The said laws affected the process of passport applications and its issuance. Thus, with the advancement of technology that made passports tamper-proof and with the new international standards set by the International Civil Aviation Organization (ICAO), it is imperative for the government to update the more-than-two-decades-old law.

This bill envisions to correspond with domestic laws and international agreements relative to the passport application and issuance. It proposes the following provisions:

- a) Mandates the issuance of passports using tamper-proof and latest data management technology;
- b) Adaptation of the bio-metric system while mandating the Department of Foreign Affairs (DFA) to establish passport databases;

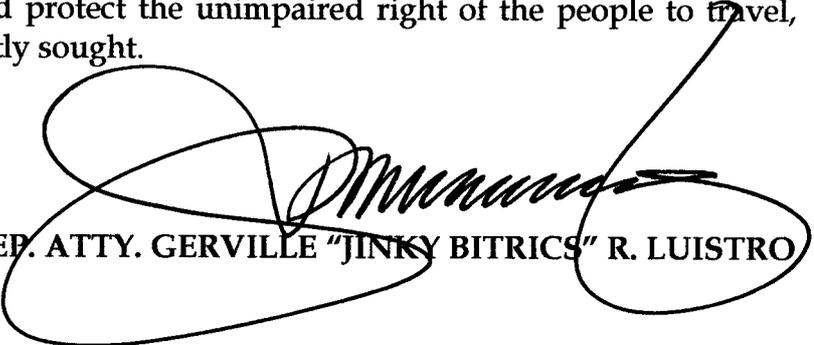

passports without physical appearance through the use of a recommended technology authorized to do such;

- d) Fifty percent (50%) discount on the processing, issuance or replacement of a passport for senior citizens and persons with disability (PWDs);
- e) Allows the DFA to charge not more than fifty percent (50%) of the current fees relating to passport services to be utilized in improving the passporting and consular services; and,
- f) Authorizes the issuance of other travel documents based on specific circumstances.

Moreover, this measure also proposes penalties on passport related offenses: (i) the illegal withholding of a passport and (ii) forging of visas and entry documents. It also provides stiffer penalties on the following: (i) issuance of passports by a non-authorized person, (ii) forgery, and (iii) improper or fraudulent use of passports and travel documents, including possession of multiple passports.

Similar measures were filed on the 18th Congress which were consolidated and subsequently passed on the 3rd Reading. It is noteworthy to recognize the efforts of its primary sponsors, namely, Representatives Ann K. Hofer, Xavier Jesus D. Romualdo, Ed Christopher S. Go, Sandra Y. Eriguel, John Marvin "Yul Servo" C. Nieto, the late Franciso G. Datol, Jr., and Rufus B. Rodriguez.

In order to ensure and protect the unimpaired right of the people to travel, approval of this bill is earnestly sought.

REP. ATTY. GERVILLE "JINKY BITRICS" R. LUISTRO
