HOUSE BILL NO. 5562

INTRODUCED BY **TUTOK TO WIN**
PARTY-LIST REPRESENTATIVE **SAM "SV" VERZOSA**

EXPLANATORY NOTE

Death is certain. Some have the means to plan and prepare for it but others do not have any means to do so. Those who are left behind, as unprepared as they are, will have no choice but to bear the sorrow brought about by the loss of their loved ones and the financial burden that goes along with it.

It is much even worse if the ones who are left behind are extremely poor or indigent and are still dependent on the deceased for the much-needed love, care and support.

This bill seeks to institutionalize the provision of burial assistance by granting free funeral services to extremely poor families and a fifty percent (50%) discount from funeral services to indigent families nationwide.

Providing burial assistance by means of free or discounted funeral services gives dignity to the deceased and provides peace and comfort to those who are left behind.

In view of the foregoing, the passage of this bill is earnestly sought.
