House Bill No. 7383

INTRODUCED BY REP. PM VARGAS

AN ACT
CREATING THE NATIONAL COMMISSION ON DISABILITY AFFAIRS,
DEFINING ITS POWERS, FUNCTIONS AND RESPONSIBILITIES AND
APPROPRIATING FUNDS THEREFOR AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Section II, Article 13 of the Constitution provides that the State shall establish a special agency for disabled persons for their rehabilitation, self-development, self-reliance, and their integration into the mainstream of society. As such, the National Council for Disability Affairs was created in 1981 as the government's lead agency tasked to steer the program development for persons with disabilities and the delivery of services to the sector.

With its existing mandate, the Council is focused on the formulation of policies and coordination of activities of all agencies, whether private or public, concerning issues related to Persons With Disabilities.

This bill seeks to strengthen the State's capacity in its role as the primary agency responsible for the implementation of policies aimed at fulfilling the rights of Persons With Disabilities, by establishing the National Commission for Disability Affairs (NCDA) to replace the National Council for Disability Affairs.

The Commission will be delegated to uphold the rights and welfare of the Persons with Disability sector through its larger and stronger capacity to monitor the implementation of programs and policies on disability, identify the needs of the sector, and recommend policy measures to address such needs.

In view of the foregoing, approval of this bill is urgently sought.
