of transmission or reception thereon as should maximize rendition of the grantee’s
services or the availability thereof.

SEC. 3. Authority of the National Telecommunications Commission. – The
grantee shall secure from the National Telecommunications Commission (NTC) a
Certificate of Public Convenience and Necessity or the appropriate permits and
licenses for the construction, installation, and operation of its telecommunications
systems or facilities. In issuing the certificate, the NTC shall have the power to regulate
and impose such conditions relative to the construction, operation, maintenance, or
service level of the telecommunications systems or facilities. Such certificate shall
state the areas covered and the date the grantee shall commence the service. The
grantee shall not use any frequency in the radio spectrum without authorization from
the NTC. The NTC, however, shall not unreasonably withhold or delay the grant of

roads, highways, streets, lanes, alleys, avenues, sidewalks, or bridges of the province,
cities, or municipalities: Provided, however, That a public place, road, highway, street,

erection of poles or other supports, or the underground laying of wires, other
conductors or conduits, shall be repaired and replaced in workmanlike manner by the
grantee, its successors or assignees, in accordance with the standards set by the
DPWH or the LGU concerned. Should the grantee, its successors or assignees, after
the ten (10)-day notice from the said authority, fail, refuse, or neglect to repair or
replace any part of public place, road, highway, street, lane, alley, avenue, sidewalk,
or bridge altered, changed or disturbed by the grantee, its successors or assignees,

The rates to be charged by the grantee shall be unbundled, separable, and distinct among the services offered and shall be determined in such a manner that regulated services do not subsidize the unregulated ones.

SEC. 7. Right of Government. – The radio spectrum is a finite resource that is part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the State and may be withdrawn any time after due process.

A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and order: to temporarily take over and operate the stations, transmitters, facilities, or equipment of the grantee; to temporarily suspend the operation of any station, transmitter, facility, or equipment in the interest of public safety, security, and public welfare; or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee for the use of the stations, transmitters, facilities, or equipment during the period when these shall be so operated.

This right shall be subject to the review and modification of the NTC.

SEC. 11. Warranty in Favor of the National and Local Governments. – The grantee shall hold the national, provincial, city, and municipal governments of the Philippines free from all claims, liabilities, accounts, demands, or actions arising out of accidents causing injury to persons or damage to properties, during the construction or operation of the stations, transmitters, facilities, or equipment of the grantee.

SEC. 12. Sale, Lease, Transfer, Grant of Usufruct, or Assignment of Franchise. – The grantee shall not sell, lease, transfer, grant the usufruct of, nor assign this franchise or the rights and privileges acquired thereunder to any person, firm, company, corporation, or other commercial or legal entity, nor merge with any other corporation or entity, nor shall the controlling interest of the grantee be transferred, simultaneously or contemporaneously, to any person, firm, company, corporation, or entity without the prior approval of Congress. The grantee shall inform Congress, through the Office of the Speaker of the House of Representatives and the Office of the Senate President, of any sale, lease, transfer, grant of usufruct, or assignment of franchise or the rights and privileges acquired thereunder, or of the merger or transfer of the controlling interest of the grantee, within sixty (60) days after the completion of the said transaction. Failure to report to Congress such change of ownership shall render the franchise ipso facto revoked. Any person or entity to which this franchise is sold, transferred, or assigned shall be subject to the same conditions, terms, restrictions, and limitations of this Act.

SEC. 13. Dispersal of Ownership. – In accordance with the constitutional provision to encourage public participation in public utilities, the grantee shall offer to Filipino citizens at least thirty percent (30%) of its common stocks, or a higher percentage that may hereafter be provided by law, in any securities exchange in the Philippines within five (5) years from the effectivity of this Act: Provided, That in cases where public offer of shares is not applicable, other methods of encouraging public participation by citizens and corporations operating public utilities must be implemented. Noncompliance therewith shall render the franchise ipso facto revoked.

the-job trainees in the franchise operations: Provided, That priority shall be accorded
to the residents of the place where the principal office of the grantee is located:
Provided further, That the grantee shall ensure that at least sixty percent (60%) of its
employees are regular employees and in no case shall the percentage of contractual,
job order, casual employees, and independent contractors combined, exceed forty
percent (40%) of its total workforce: Provided, finally, That the grantee shall comply
with the applicable labor standards and allowance entitlement under existing labor
laws, rules and regulations and similar issuances.

The annual report shall include an update on the commencement of activities,
development, operation, and expansion of business; audited financial statements;

collected separately from the reportorial penalties imposed by the NTC, and it shall be
remitted to the Bureau of the Treasury.

immunity granted under existing franchises, or which may hereafter be granted for
telecommunications, upon prior review and approval of Congress, shall become part
of this franchise and shall be accorded immediately and unconditionally to the herein
